Headline:
Bright and sunny spells. Chilly nights.

Today:
A mainly dry and bright day with good spells of sunshine, although cloud bubbling up with perhaps an isolated shower. After a chilly start it will feel pleasant in any afternoon sunshine with winds remaining light. Maximum temperature 11 deg C (52 deg F).

Tonight:
Dry with patchy cloud through this evening, but often clear overnight with a widespread frost expected. A few shallow mist or fog patches possible by dawn. Minimum temperature -4 deg C (25 deg F).

Thursday:
Dry and bright with plenty of sunshine expected. Chilly around North Sea coasts with onshore winds, but rather warm inland. Maximum temperature 14 deg C (57 deg F).

Outlook for Friday to Sunday:
Dry and bright with some sunshine on Friday and Saturday. Night frosts still possible but feeling pleasant in any afternoon sunshine. Cloudy and breezy with patchy rain on Sunday.
